

RESUME

NIRMAL KUMAR

Mob No. +91- 7267073841

Email ID: nirmalk8009@gmail.com

PERMANENT ADDRESS

Vill:- Harbanshpur , Post: Sikandra

Distt: Kanpur Dehat.

Uttar Pradesh Pin Code – 209125

CAREER OBJECTIVE:-

To be associated with a firm, that provides career development opportunities, to learn more as I grow in a company or with an employer who is willing to give me a chance to improve and use many other skills that I have and am willing to learn, if given the opportunity

WORKING EXPERIENCE:- (Total Experience- 2 Year 5 Months)

April 2026 To Till Date :-

Heinrich corporation India pvt ltd. Pune Maharashtra as **Project Manager** (Audio video & Metro Project handle)

Roles & Responsibility : -

- Prepared audio-video solution documents under the guidance of senior engineers.
- Managing end-to-end execution of Metro Rail projects involving Passenger Information Display System (PIDS), CCTV Surveillance Systems, DSS System, Audio-Video (AV) Systems, and IP Network Infrastructure.
- Leading project planning, resource allocation, execution, monitoring, and successful project delivery within defined timelines.
- Acting as the primary point of contact for clients, ensuring effective communication, issue resolution, and customer satisfaction.
- Coordinating with vendors, contractors, consultants, and internal teams for smooth project execution.
- Supervising installation, integration, testing, commissioning, and handover of PIDS, CCTV, AV, and IP-based systems.
- Managing technical troubleshooting and resolving issues related to CCTV cameras, network switches, fiber optic connectivity, IP networks, display systems, and audio systems.
- Monitoring project progress, tracking milestones, and preparing project status reports for management and clients.
- Managing project documentation, technical reports, method statements, and handover documents.

January 2025 to April 2026 :- (1 year 3 Months)

Madhuban Technologies LLP. Pune Maharashtra as Project Engineer (Mumbai IOT project sensor &

configuration IOT)

Roles & Responsibility : -

- Supervised the ongoing work at various sites as per design.
- Supervised and monitored on-site implementation as per project design and specifications.
- Managed site marking, location box installation, PT, and sensor work as per IoT design layouts.
- Ensured proper data transmission through 4G SIM networks from remote locations to central monitoring systems.
- Troubleshoot hardware and network connectivity issues for uninterrupted IoT data flow.
- Installed and configured IoT-enabled water monitoring systems (flow meters, level sensors, pressure sensors, etc.).
- Installed IoT location boxes and sensors as per approved project drawings.
- Applied knowledge of MQTT protocol for IoT data communication and third-party integration.
- Planned, executed, and monitored water supply systems under the **Jal Jeevan Mission (JJM)** in Maharashtra.
- Collaborated with government agencies, local authorities, and project stakeholders for efficient mission implementation.
- Utilized data analytics and IoT solutions for **real-time monitoring and reporting** of water distribution systems.
- Integrated IoT devices with existing infrastructure to support **data-driven decision-making** in water management.

November 2023 to January 2025 :- (1 year 2 Months)

We9 Technologies. Delhi as Trainee Engineer (Audio video, home automation, AutoCAD and AMX programming)

Roles & Responsibility : -

- Prepared audio-video solution documents under the guidance of senior engineers.
- Worked with **HTML**, **CSS**, and **audio-video programming** for automation projects.
- Created AutoCAD drawings for audio and video system layouts.
- Designed and programmed **Touch Panels** using *TPDesign5* software.
- Programmed **audio, video, and touch panel controls** using *NetLinx Studio 4*.
- Hands-on experience with **Harman Professional Systems** (AMX microphones, JBL speakers, Soundcraft mixers, Crown amplifiers).
- Supervised installation of racks, speakers, cameras, amplifiers, and cabling at client sites.
- Coordinated with vendors and team members for equipment procurement and setup.
- Basic knowledge of **Java programming** using IntelliJ IDEA.

ACADEMIC QUALIFICATION :-

- **B.C.A. (Bachelor of Computer Applications)** – CSJM University, 2023
- **12th (Intermediate)** – UP Board, Allahabad, 2020

- **10th (High School)** – UP Board, Allahabad, 2018

TECHNICAL SKILLS:

- IoT Technologies: Sensor configuration, MQTT protocol, real-time monitoring systems
- Software Tools: AutoCAD, NetLinx Studio, TPDesign5, Microsoft Word, Excel, Paint
- Programming Languages: HTML, CSS, Java (Basic)
- Audio-Video Systems: AMX, JBL, Soundcraft, Crown
- Project Management, & Vendor Management Passenger Information Display System (PIDS) CCTV Surveillance Systems
- IP Networking & Network Troubleshooting
- Fiber Optic Communication & Audio Visual (AV) Systems
- Testing & Commissioning System Integration
- Network Switch Configuration
- Technical Troubleshooting
- **Other Skills:** Data analytics, Smart Infrastructure Implementation, Stakeholder Coordination

KEY STRENGTHS:

- Water Supply Systems Management
- IoT Integration & Data Analytics
- Smart Infrastructure Implementation
- Project Planning & Execution
- Real-time Monitoring & Reporting Systems
- Networking Knowledge
- Audio-Video & CCTV , Access point, & Basic Infrastructure
- On-site & Remote Technical Support
- IT Support & Troubleshooting
- Hardware & Network Support
- Multi-Project Handling Capability

WORKING KNOWLEDGE:

- Microsoft
 - ✓ Word
 - ✓ Excel
 - ✓ Paint
- PROGRAMING
 - ✓ HTML
 - ✓ CSS
 - ✓ JAVA Basic
 - ✓ AutoCAD
 - ✓ Audio, Video Programing

AREA OF INTEREST:

- Listening music
- Watching cricket
- Reading book

PERSONAL DETAILS:

Date of Birth : 06th Aug 2001

Father's Name : Mr. Raj kishor

Marital Status : Unmarried

Nationality : Indian

Gender : Male

Language Known : Hindi, English

DECLARATION:

I hereby declare that all the particulars stated in this resume are true and the best of my knowledge and belief.
